Why a Business Directory?

The Business Directory is a project of Christ Lutheran Church's 2008-2009 Stewardship Committee. Our goal is to offer a vehicle for our members to share their services and their talents with our church community while helping to generate advertising dollars to raise money for our "Go Green" Stewardship Campaign.

The "Go Green" Stewardship Campaign is working to raise money to build a recycling enclosure in partnership with our neighbor, St. Luke's Methodist Church, and to buy a projection system for the sanctuary.

The Libby Bortz Assisted Living Center

Finally, quality assisted living at affordable rates!

Littleton, Colorado - 303-347-9755
www.LibbyBortzAssistedLiving.com

About Us

Littleton's best-kept secret—Libby Bortz Assisted Living Center—is nestled in the charming downtown area so its residents enjoy the best of both worlds. A small town feel in the heart of the big city.

Many may not realize that there is a unique and special history about the services that The Center brings to Littleton and the Denver metro area. The Libby Bortz Assisted Living Center was built in 1994. The Center is a collaborative success for the Littleton community, which cooperated with the Littleton Housing Authority in addressing affordable housing for older adults needing some assistance.

Libby Bortz, a local community member, resident and social worker, was pivotal in recognizing the needs of modest-income adults over the age of 62 to have an affordable assisted living option. In appreciation of her many years of service and volunteering to the Littleton Housing Authority and the community, The Libby Bortz Assisted Living Center was named in her honor.

Income Guidelines

Compared to the average cost of assisted living in the Denver Metro area, The Libby Bortz Assisted Living Center is able to offer affordable rates with high quality services at a fraction of the price. Through a unique tax credit program, the basic rent and services package start at \$1,578 per month for an individual and \$2,303 per month for couples. Applicants must meet income guidelines. As of 2009 for one person the maximum income is \$31,920 annually and for couples the maximum income is \$36,480 annually.

More about the Rooms

The rooms at The Libby Bortz Assisted Living Center are all private, unfurnished studios but include carpet and window coverings. Residents are encouraged to bring their furnishings and mementos to personalize their space. The rooms are approximately 255 square feet and have private bathrooms with step-in showers. No bathtubs to climb into, which can pose a hazard.

Throughout the Center are beautifully decorated common areas with pleasant and comfortable seating. Residents are encouraged to socialize and enjoy not only the common areas, but take advantage of the many organized social and recreation activities that occur daily under the direction of the full time activities director.
